

#1233: SimLab – Darker Shade

Product: SimLab

Product Version: SimLab 2017 or above

Topic Objective

To display the rear side in darker shade

Topic Details

This option by default is on and the rear side side is in a darker shade. If this option is turned off, the front and rear faces are of the same shade. This is useful when displaying shell bodies.

Rear Side in Darker Shade

File > Preference > Display
