

#1245: SimLab - Keyboard Shortcuts

Product: SimLab

Product Version: SimLab 2017 and above

Topic Objective

Keyboard shortcuts in SimLab

Topic Details

This option is used to add user defined shortcuts keys. Currently, shortcut keys added for bottom toolbar and some of the right click options. Standard shortcut keys such as Fit (F) are marked in grey colour which cannot be modified. Reset button helps to restore default shortcut keys.

File > Preferences > Applications > Keyboard Shortcuts
